I would like to contribute/revise my giving to the Charitable Trust Fund as indicated overleaf.

In order to Gift Aid your donation you must tick the box:

I want to Gift Aid any donations I make in the future or have made in the past 4 years.

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

Yours sincerely,

Signed
