

# The Worshipful Company of Engineers

(Incorporated by Royal Charter 2004)

## An Interactive On-line Open Evening Tuesday 27 July 2021

### “Engineering, Fellowship, City and Philanthropy”

The Worshipful Company of Engineers is holding a series of interactive on-line Open Evenings to explain the purpose, benefits and commitments in belonging to the City of London’s Engineers Livery.

As well as the presentation, you are warmly invited to ‘meet’ us at the following ‘virtual soiree’. We hope to enthuse you to become part of the Livery movement.

If you are a Chartered Engineer and Fellow of a Professional Engineering Institution (or aspire to be a Fellow one day), or a Fellow of the Royal Academy of Engineering you are warmly invited to attend.

Partners are also most welcome.
